

MAGNITUDE TEXTILE

RESPONSIBLE MANUFACTURING

For a Brighter Future

"About Us"

Magnitude Textile was established in 2015 with a leadership concept to provide buying & sourcing solutions to FASHON apparel and textile industry customers i.e. clothing brands, importers, distributors & whole sellers from USA, Europe, Turkey and other countries.

We work with well-accredited partner suppliers, fabric mills and garment factories which are located in **Pakistan, Turkey, China, Sri Lanka, Morocco, Bangladesh, India and Egypt.**

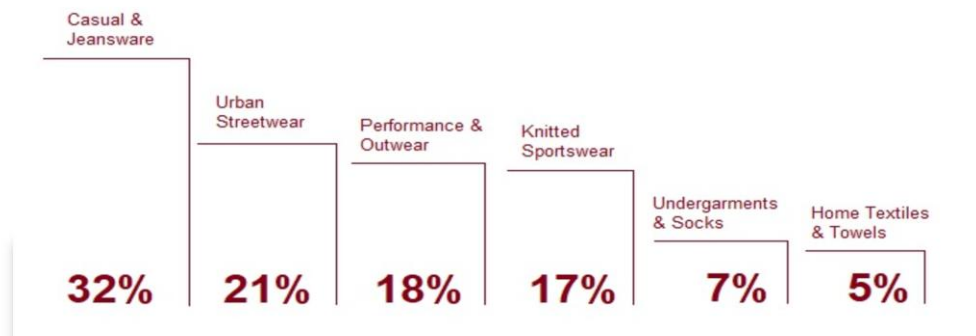

Magnitude Textile is also an active supplier of all sorts of Denim, Woven and Knitted **FABRICS** to its global customers engaged with Fashion apparel industry.

Our apparel product portfolio comprehensively covers sourcing & production covering:

- CAUSAL & JEANSWEAR
- URBAN STREETWEAR
- PERFORMANCE & SPORTSWEAR
- WORKWEAR & OUTERWEAR
- ACTIVE & GYM WEAR
- LEATHER JACKETS
- SOCKS / UNDER GARMENTS
- HOSPITALITY PRODUCTS

Our Corporate office is based in **Karachi/Pakistan** and regional offices are located in **USA, Turkey, Sri Lanka and Morocco.**

DEDICATION TO HIGH-QUALITY

Our Total Quality Control Philosophy

- ✓ AT MAGNITUDE TEXTILE, our starting criteria for all suppliers is that each production facility must be well accredited for social compliance and sustainability with proper adherence to local Labor Laws for labor at origin country.
- ✓ Then every step is meticulously controlled and observed, from the sample stage to the packaging stage of the product.
- ✓ As a standard policy, we also follow AQL 2.5 method during the course of production and AQL 4.0 method in final pre-shipment inspection.
- ✓ Our strict quality control process ensures that all garments in production and leaving the factory premises are of the highest quality. From yarn to design to production, we provide an exceptional caliber of products, representing the high standards sought by our world-class international customers.
- ✓ We strictly follow social compliance requirements and code of conduct for production given by our customers i. e Brands, Retailers, Distributors or importers which we make sure to implement with all due care & responsibility.
- ✓ Finally, thanks to our on-going investment in human resource and willingness to keep improving our services and product quality with the application of latest technology,
